

Manpower®

Job Title: Operations Manager

Location: Surrey

Transit Accessible: No

You have a minimum of two years of related experience, strong people management skills, and are looking for a company with opportunities for long-term growth.

Your main responsibilities will include managing about 10 direct reports in the warehouse, and developing processes to streamline production.

Skills:

- Proven leadership ability.
- Excellent verbal and written communication.
- Mechanical aptitude.
- Ability to manage time effectively.
- Out-going personality.

Additional Information:

- Salary is 55K-65K, depending on experience.
- The Operations Manager reports to the General Manager.
- Full benefits offered after three months.
- This is a permanent, full-time position.

Please send a short cover letter and resume to Nicole.Davidson@Manpower.com.

Thank you.
