

## Senior Inventory Control Lead Distribution Department

Join a leading, gourmet food manufacturing company, still enjoying success after 165 years. Building on an award-winning reputation, this family-owned enterprise retains its traditional roots while cultivating a dynamic team culture. We are recognized internationally as a high quality producer of sausage, ham and specialty meat products, supplying customers across North America.

We are currently seeking a **Senior Inventory Control Lead** in our Langley plant. This full-time position is an excellent opportunity for a detail-oriented, active person who is seeking a challenging, fast-paced work environment.

Reporting to the Distribution Supervisor, you will ensure inventory procedures are accurately conducted while contributing to departmental productivity goals. A strong track record in inventory management, including auditing inventory transactions, and developing and maintaining a cycle count program, is preferred. You will also develop and drive metrics focusing on customer service and inventory efficiency, using your familiarity with inventory management and ERP systems. Opportunities to prepare, present and implement recommendations for improvements will be open to you. Ideally you will bring perishable food industry experience. A strong knowledge of MS Excel & MS Access is recommended. In return, we offer competitive salary, comprehensive Health & Disability benefits, a contributory Pension Plan, a Safety Rewards program, an Attendance Appreciation program, education reimbursement and much more.

If you not only have the skills we're looking for, but also love to "ham it up" in a supportive and fun work environment, then we'd like to hear from you. Please e-mail your resume and cover letter to: [jobs@freybe.com](mailto:jobs@freybe.com)
